Please follow our bingo rules. They were written for the safety and consideration of all our bingo players.

1. Each player must have an Admission Ticket.
2. No children under 16 years of age will be allowed to attend or play bingo.
3. You must be 18 years of age to purchase or redeem keeper tickets.
4. In cases of two (2) or more winners, the prize will be divided equally.
5. Games played on paper must be marked in ink or with daubers. Bingo will not be allowed if the card is unmarked or marked in pencil.
6. The Caller is in charge of each game. It is the responsibility of the player(s) to be sure that the Caller is aware of his or her bingo and stops the game before the next bingo ball has been announced. If the caller is unaware that bingo has been called and we call the next number, your bingo will not be valid. The Caller will not accept any bingo(s) after it is announced that the game is closed. Finally, no bingo will be honored once the bingo balls have been dropped into the machine.
7. A valid bingo is a card conforming to the bingo pattern and paper color as prescribed by the program and having achieved a bingo on the last bingo ball called by the Caller.
8. The bingo flashboard is not official and is only for the convenience of the players.
9. Management reserves the right to: Refuse admittance to anyone when they consider it necessary; and ask any player to leave if they are loud, abusive or disruptive to the bingo program.
10. When there are less than 65 paid players, management reserves the right to offer reduced prizes or to cancel BINGO for the evening.
11. Please turn all cell phones off or to vibrate during the bingo games and any phone calls should take place in the hallway and not in the Bingo Hall.
12. Please keep all talking to a minimum during the games. It is very distracting to the caller and other players. The bingo that is missed may very well be your own.
13. There is "No Smoking" inside the building. Smoking is permitted outside the back door by the kitchen only.
